Maybe even better than free.

When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You can give this download link to your friends by mail or instant messenger. So try our free and simple filehosting service now. You can upload any type of file (movies, music, documents, images, zip files and more).

If only we could, we surely would! On the other hand, using file can actually save you money. Keep your files private, or send your download links only to friends or family. No account or credit card is required to get started. Files can be downloaded from any computer from our high speed servers. Why paystorage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferredwithin their apps. Our service is completely free for everyone. File is free to use with no gotchas and no hidden fees. The cost of that data transfer is covered byyour internet service or the data plan on your phone. We have no file size limit. Your wallet will be none-the-lighter! Just so we're all 100% clear here: Whenyou share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Unfortunately, we can'tmake that part free. Alternatively you can choose to share your download links on blogs, forums and social networking sites. You don't need any specialsoftware installed to be able to download your files. There are no restrictions on the number of times a file can be downloaded. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. This is easy, fast and reliable filehosting! You don'tneed any kind of premium-accounts. Using file, you can circumvent those limits without paying to upgrade your team chat service. filehosting provides an easypossibility for you to send large files to your friends. You decide who you want to share your files with. Any file in any format can be uploaded anddownloaded for free. Simply upload your file and share the link. It is also allowed to link to the download page from websites and communities. Just upload thefile you want to share with your friends and we send you a download link to your file.
