Register a free business account Please try your search again later. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. OEM Products come with a manufacturer warranty only. The amount of pages can vary depending upon the amount of ink printed onto each page. 5% page coverage is a standard Canon specification We stand behind our products 100%, as these are not manufactured by Canon. Regular ink dries quickly, which is why cartridges for inkjet printers do not last long. Laser Printers use toner, which is ink in the form of powder. Please note that the lifespan of the Starter toner cartridge is approx. 2,500 A4 prints at 5% page coverage. You must make sure that the toner cartridge is installed correctly. The nearly empty toner cartridge must be replaced soon, in order to be avoided print quality issues. Please note that you can extend the lifespan of the installed toner cartridge by turning the Toner Saver mode on. Then, you must grasp the blue plastic pulltab of the empty toner cartridge, and pull it towards you to remove the exhausted component from the main unit. Next, you must unpack the new toner cartridge, and then redistribute the toner by shaking the cartridge 78 times from side to side. After that, you must remove the two seals, and then remove the protective sealing tape from the new toner cartridge. Now, you must align the protrusions of the new toner cartridge with the guides inside the compartment, and then slide the cartridge firmly into the machine. We stand behind our products 100%, as these are not manufactured by Canon.

However it does lack color printing. It has a paper handling capacity of 600 sheets. The quality of documents with this printer is outstanding. Pros With it you get print speeds of up to 23 pages per minute. Print quality is excellent, with a 600 dpi print resolution. Text documents are of professional quality. The Canon imageClass MF6560 has a paper capacity of 600 sheets. It comes with a 500 sheet standard tray and a 100 sheet multipurpose tray. The Canon MF6560 also comes with a duplexer and an automatic document feeder that is capable of duplex scanning. This allows you to scan onesided or twosided originals. The automatic document feeder has a capacity of up to 50 sheets. Another outstanding feature is the flatbed scanning surface that also you to scan irregular size documents. The unit measures 17.8 inches by 20.5 inches by 17.3 inches. It weighs 52 pounds, so you will need two people to move it. However it is sturdy and will stand the test of time. Owners of the Canon imageClass MF6560 will face with minimal maintenance issues. Cons Furthermore it lacks color printing. Color really makes many business documents stand out. Sortimentet med kompakta EOS M och EOS Rsystemkameror i fullformat ger kraften hos en spegelreflexkamera i ett kompakt kamerahus. Anyone who has bought before can download the updated package on request for free. All news Please enable JavaScript in your web browser. It is including multifunctional printer that can do multitasking from printing, scanning, copying, and faxing. One of the recommended product from Canon for the multifunctional product series is Canon iSENSYS MF6560PL. The Operating System that will make Canon iSENSYS MF6560PL work better are Windows Vista, Windows 7, Windows 8, and Windows 10. You better make sure that you use one of the Operating System so you can get better result when you are printing, scanning, faxing, and copying. Besides, if you use the wrong Operating System then the printer surely will not working. The interfaces that offered by Canon iSENSYS MF6560PL are Ethernet, USB, and Wireless. The printer also has Auto Duplex and Automatic Document Feeder system. The system not only will make you work faster but also make you work efficiently. The maximum resolution which is offered by the printer is 9600 x 9600 dpi. You will get good result for printing, scanning, copying, and such when you using the printer to process your document. The conclusion is this printer is really recommended when people look for multifunctional printer which offers good performance. The active status of each link is guaranteed. Make sure that the driver and software for Canon iSENSYS MF6560PL you download is compatible with your device. Please use the box above to search for any other information. Unless otherwise mentioned, illustrations used for illustration purposes in this manual are those taken when no optional equipment is attached to the imageCLASS MF6550. The model imageCLASS MF6550 is clearly indicated in this manual. However, there is no guarantee that interference will not occur in Subpart B of Part 15. Canon U.S.A.

Do not make any changes or modifications to the equipment unless otherwise specified in this device must accept an interference received, including interference that to which the receiver is required to comply with This Machine FCC Notice Does Kaiser have services in NC. If so, where To where do I mail my payment. What will the amount be if different fro. Page Count 24 MF8180c Colour Copy Print Scan Fax Building a business requires tools you can rely on. Canon engineers invented the first desktop laser printer in 1982. Since then, we have relentlessly pursued our goal of creating the perfect product that would combine productivity, efficiency and pure peace of mind. The result is the iSENSYS range of laser office equipment. The range extends from colour and monochrome printers to compact AllInOnes that let you print, copy, scan and fax in a single convenient machine. The iSENSYS MF4690PL can even scan directly to email, to a network folder or to a USB memory device with SEND functionality. All iSENSYS printers produce smoother text, cleaner curves and subtler greys. Selected models print in brilliant full colour. With virtually no warmup time, iSENSYS responds immediately to every task. And straightforward networking integrates seamlessly into your existing setup. Let us handle the everyday tasks, so you have the freedom to focus on the big picture. Freedom to expand your business horizons. Freedom to grow. FAST Quick First Print gets you going faster. OnDemand Fixing Technology replaces conventional thermal rollers and has virtually zero warmup time. EFFICIENT SEND functionality facilitates paperless document transfer. Scan documents and distribute them automatically to multiple network destinations all in one simple operation. Working as a film producer in Rome, she learned to love an iSENSYS LBP5300. "Two things are absolutely indispensable here my Vespa and my iSENSYS. Things can get pretty hectic.

The Vespa gets me around quick and the iSENSYS gives me quick, fullcolour laser prints of all our location photos, with virtually no warmup time." "Blackandwhite prints are even quicker. In this

business, things are always changing. The script is all we have to keep everyone on the same page. Automatic doublesided printing makes me feel better about the amount of paper we go through.”

CONNECTED PCL support on selected models integrates iSENSYS into your existing network environment, adding valuable resources for the entire workplace. With just one cable and a single software installation, setup could not be simpler. **EASY TO REPLACE** iSENSYS combines toner, photosensitive drum, electrostatic charger and cleaning unit in an allinone cartridge that simply clicks into place. Our cartridge recycling programme reuses or recycles 100% of each unit.

TRUSTED Canon’s long tradition of innovation is why we are a market leader in the number of patents registered year after year. We research and develop our own cuttingedge technology, so our products are ideally suited to your business needs. **RELIABLE** The optional Canon Easy Service Plan lets you choose the level of service you require. Choose from nextday onsite service, returntobase service, or for those who fancy convenience, we even offer a onetime installation service.

RESPONSIBLE Our patented OnDemand Fixing means iSENSYS has zero warmup time, using up to 75% less power than standard technologies. Energyefficient charging virtually eliminates ozone emissions in the workplace. The 21 ppm colour and mono output, large paper capacity, doublesided printing and maintenancefree colour AllinOne cartridges make it ideal for busy workgroups. Network ready, PCL compatible and easy to use and maintain it delivers fast, professional output with automatic doublesided printing. Advanced Canon technologies ensure fast output, enhanced print quality and exceptional ease of use. Plus optional network printing makes it even more productive.

Maximum workgroup productivity is ensured with builtin networking, autoduplexing, and SEND functionality to email, network and USB memory device. Cut paper costs and produce more professional documents and booklets with builtin automatic doublesided printing. Easy to use and maintain, it offers optional networking for shared productivity. Handle everything easily with this compact laser AllinOne. Optional networking adds to productivity. This compact AllinOne features automatic doublesided printing to cut paper costs and save time. Optional networking enhances productivity. Quick First Print and high quality output ensure maximum productivity. Since 1990, Canon has a worldwide cartridge recycling program. Canon’s toner cartridge recycling program is a zero landfill program in which every component of a used toner cartridge is reused or recycled, saving precious natural resources. Energy Star indicates Canon products meet Energy Star requirements. High capacity toner cartridges reduce your cost per copy. Canon’s ondemand fixing technology springs to action when required, for almost no waiting and no negligible energy use. **SUPER G3** the longer the transmission time, the more costs you incur. **UHQ** ensures exceptional image quality when sending netext, diagrams and photos. 256 grayscale reproductions produce perfect halftones on faxes and copiers. Certified USB and Certified HiSpeed USB connectivity provides a fast, easy connection between product and computer. Life is full of compromises. Be sure to choose a replacement cartridge that won’t let you down. Canon’s pioneering AllinOne cartridges simply snap into place for easy, nonstop printing. Inside, Canon EF Toner and S Toner create smudge and shinefree copies that you can write on immediately.

All our cartridges are designed to minimise or even eliminate detrimental impact on the environment, while still ensuring the high output and high quality today’s businesses demand. Canon’s global cartridge recycling programme reuses or recycles every component. To help protect the environment, all cartridge elements are completely recyclable.
